

# Bear Valley 2025 Boys Basketball

Welcome students and families of the 2025 Bear Valley Basketball team. Congratulations on making the team! We are looking forward to a great season with each and every one of you. Please remember you are a STUDENT athlete. Your grades and behavior come before anything.

**Eligibility:** If any student has a F OR two D'S they are automatically ineligible. Their grade is to be up by the end of the day before game day. If they have two D's or F's the day of the game, they are ineligible. We have scholars who take their grades seriously and as said before, being a student comes before anything.

**Attendance:** You must be at school the day of game day in order to play. If you served any PASS during the week of games you will be ineligible.

**Playing time:** We have a roster of 16 athletes for basketball this season. Our main goal is to grow a team that can learn to work together and pick up the skills they need to learn. We want to make sure we are having equality in our community and team. If your student is/will ever experience a shortage of playing time due to behavior, we will reach out beforehand

Again, Congratulations on making the team. As many of you players know, we had a huge turn out for try outs and were only able to keep 16. Please make sure you are keeping your grades and behavior a priority. If any athlete is struggling to withhold the expectations they will be removed from the team.

Please reach out to Coach Alec or Coach Tay for any questions or concerns. We will provide our email below. We are at the school from 8 to 430 every day and can be reached by calling the office and asking for one of us.
