**ASYNCHRONOUS LEARNING:** means that you will not have classes in Google Meet. Instead, you will work through assignments on your own!

**TUTORING IS CANCELLED ALL WEEK!**

# WHAT YOU NEED TO KNOW!

## What is asynchronous learning?

Asynchronous learning means that you will **not have classes in google meet**. Instead, you will **work through assignments on your own!** You need to hold yourself accountable to get everything done on time.

## In order to be successful today:

- All assignments and directions can be found your schoology page for each class.
- Manage your time well and do not rush! **The day ends at 1:15pm**. Submit work you are proud of!

# ASYNCHRONOUS LEARNING REMINDERS

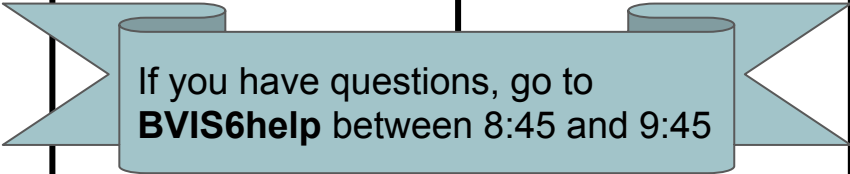

- Your teachers may have created videos to support you; review directions or help you walk through the lesson! Watch these videos carefully and “pause” at the correct places as needed.
- Your teachers will not be able to support you in completing these lessons. Please make sure you read the directions carefully!
- Take your time!! Every lesson should take about 50 minutes! Take a small break between each class!
