

# WHAT YOU NEED TO KNOW!

## What is asynchronous learning?

Asynchronous learning means that you will **not have classes in google meet**. Instead, you will **work through assignments on your own!** You need to hold yourself accountable to get everything done on time.

## In order to be successful today:

- All assignments and directions can be found your schoology page for each class.
- Manage your time well and do not rush! **The day ends at 1:15pm**. Submit work you are proud of!
- Your teachers will **not** be able to support you in completing these lessons. Please make sure you read the directions carefully!
- **Take your time!!** Every lesson should take about 50 minutes! Take a small break between each class!

# 8th Gr. Green Cohort: Mon. 2/22

Class	Math	Language Arts	Science	IA
