COLD WEATHER UPDATE

As winter weather is finally upon us, please read below snow delay / closure process as well as Bear Valley's internal inside day thresholds.

BVIS Inside Day

- The threshold for calling an inside morning and/or inside lunch is a temperature below 30 degrees and/or active precipitation (rain or snow).
 - We will still open the Cafe doors at 8:30am for FREE breakfast.
 - We will open campus doors at 8:40 am vs. 8:46am.
 - Please note that we do not have the staffing capacity to open the doors any sooner than 8:40am so please time your drop off accordingly.
- If we need to call an inside lunch scholars will have access to either the Henry Cafe and/or the Gyms during their grade level specific recess times to keep them warm and dry.

2 Hour Delay

- The district will decide (usually before 5:00am the day of) if the full district will be on a 2 hour delay. If that is called you will receive communication via the district and BVIS directly.

Students will need to arrive by 10:40am and would be dismissed at 3:50pm. Breakfast will NOT be provided and lunches would be later to allow for the delayed schedule with shortened periods.

Traditional Snow Days are BACK!

If there are unsafe conditions due to weather, DPS will have a traditional snow day, with no in-person or remote learning.
