“From the minute my child started, they have shown us so much love and support, and been so helpful and accommodating.”

“I have seen my daughter grow phenomenally in the past 3 years. BVMS has worked hard to get to know my child, accommodate her IEP needs and prepare her for scenarios that will impact her future.”

“As a 2x BVMS parent, I highly recommend this school! They have great support for kids of all abilities and diversities, and staff are always kind and actively work to help kids.”

“BVMS Is always holding fundraisers, student breakfasts, reward ceremonies and extracurricular activities to the students. This school works hard to make everyone feel inclusive and not left out.”
