PRESIDENT DAY

Our current 6th & 7th grade families:

- There is no need for you to participate in the Round 1 Choice Application as you are automatically enrolled for the 24-25 school year.
- However, we are asking all rising 7th and 8th grade families to fill out this quick 24-25 Intent Form to ensure we are planning/budgeting the appropriate staff.

Our current 8th grade families:

- Click HERE to read about the Choice application process you must participate in to make your High School placement request known.

We need your hand-me-downs!

Do you have BVIS t-shirts or sweatshirts that your child has outgrown? We would love for you to bring them to the main office to help us replenish our loaner inventory to support scholars in need!

Yeti Store!

Our student body has advocated for non-food items to be added to our Yeti Bux store. Students will now be able to buy items such as sporting equipment, fake nails, make-up and art supplies with their well earned Yeti Bux'!
