- **11/20-24** - NO SCHOOL, Thanksgiving Break

Early Pick Ups

We are seeing a sizable increase of requests to pick up students early.

Starting 10/2 families will need to come to the main office before students will be called down, so please plan your time accordingly.

Lifetouch Retakes

Lifetouch will be back on Thursday October 19th for retakes!

If you bought a package your student must bring that envelope back on 10/19 so they can re-print the new photo.

Students will ONLY be allowed to take a retake photos if:

1. They were absent and/or not enrolled on 8/29/23.
2. If their family requests via the **Lifetouch Retake sign up form**
3. They have their photo package in their hands when we dismiss from their classroom.

In addition, there will be no pick-up allowed after 3:30pm as it is extremely disruptive to the end of day procedures.

Thank You!

Fall Conferences

Bear Valley will be hosting family conferences on **Wednesday 10/18 from 4-8pm**. Please check your email in the coming weeks for the Sign-Up Genius link to secure your preferred time slot!

Please see page 2 for very important reminders!

CULTURE CORNER!

Please review these topics from our Culture Team

We appreciate you discussing with your child to ensure they are following expectations and maximizing their learning time!

- Students are permitted to have a water bottle during class, **but should not be traveling around school with other food, snack or beverage items.**
 - If your student is bringing snacks, chips or sodas, please remind them that those are **only to be consumed in the cafe at lunchtime**
- **It is critical that your student is ON TIME to every class.**
 - During our 3 minute passing periods, we have 2 bells that ring, one for the "1 minute warning" and one for the beginning of each class.
 - If a student has 3 tardies to a class, they will have lunch service. Continuous tardies will result in a parent meeting and/or PASS class.
- **Our quarter 1 celebration is Wednesday, October 11th!**
 - Eligibility to attend will be based on October progress reports!
 - Your student will receive their progress report the week of October 9th.
- **Grade level awards assemblies** are coming up during the week of October 2nd.
 - Scholars from each grade level will be awarded for upholding our ROAR values!
- Please remind your student to **leave AirPods, headphones and phones in their lockers during school hours.**
 - Each grade level is still working towards earning cell phones at lunch!
