MIS 1

Attendance

Topic	Last Year	This Year
Overall	86.9%	87.7%
Chronic	53%	43% (goal is 36%)

Since we have been making gains with attendance, and have a good SYSTEM now, we will not have this as an MIS next year.

MIS 2

Behavior

Topic	Last Year	This Year
ISS	~115	203
OSS	28	74 (goal was 36)
Current Reflections	<ul style="list-style-type: none">• In our needs assessment for next year we are brainstorming ways to get more stakeholders involved in our discipline systems.• 1. We want parents to play a role in ISS somehow - after X number of ISS, guardian is required to come for an hour to sit with student IN ISS and work on reflections with student and ISS coordinator.• 2. Parent signs contract about decorum in ISS prior to entering.• Students who are in ISS after X times about same topic (ie: not meeting Yeti Watch goals due to putting head down during work time, Vape issue, loud distupations, etc.) will learn more about that topic, way to cope and be better and then present to staff, student council leaders, and anyone harmed /impacated by actions.	

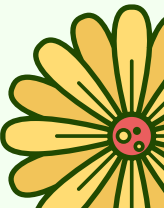

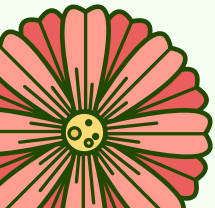

Ideas to Switch up ISS

- What do we do for TIER 2 and TIER 3 ISS Students?

What do we need to add to ISS to help students LEARN how to act appropriately at BVMS?

How do we tap in more resources?

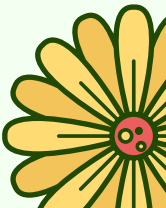

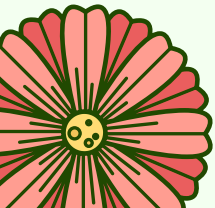

MIS 3

- Academics:
 - CMAS: Highest completion rate in DPS MS (next to Slavens).
 - Attendance was the best it's been during CMAS.
- We are the only school in DPS that has electives doing DDI (just a fun fact I learned!)
- Next year, since DDI has been a strength this year, our MIS 3 will NOT be DDI. It will be “best first instruction” and focus on lesson and unit planning.

New Staff Next Year

- New Band teacher - Kayla Crego (vet teacher!)
 - New Mild Mod Sped Lang Arts - Brittany Lousberg. Out of state but was in Jeffco. (vet teacher!)
 - AN will have 9 students next year
 - We will need to hire 2 1:1s and 1 AN para
 - Mild Mod paras
 - 3 needed for next year
- 
- 

Servicios

- Partnering with Servicios for April, May and ALL next year
 - Servicios = mentors at BVMS who wil work with students 1:1 two times a week.
 - Servicios offers summer programs for kids and parents!

Family Workshops

- We are going to offer parent support workshops next year.
 - Raising a middle schooler is HARD - Let us help you support your young YETI!
 -

**Let's come up with a
list of workshop titles
/ topics!**
