

# 8th Grade Continuation 2022

## Monday May 23rd - Wednesday May 27th

Hello Bear Valley Families,

As we wrap up this school year, the 8th grade team is committed to planning a week full of events and activities dedicated towards celebrating our 8th graders' success as they move on to high school. Please review the information below to better understand how this week will be structured and what expectations must be met to ensure your scholar can participate. As always, if you have any other questions or need more clarification, please reach out to the main office at 720-423-9600 or email your scholar's SEL mentor.

### Continuation Eligibility Requirements

**To participate in all continuation week activities, your scholars must meet the following requirements:**

- No F's in their classes for quarter 4
- Completed iCAP questions for grades 6th-8th
- No major or repeated behavior incidents

***If your student has not met these requirements, the expectation is that they are on campus working on the necessary items to be eligible for the following day's activities!***
