FROM YOUR PRINCIPAL

Hello parents of BVIS Yetis!

8th grade note: We are SO close to continuation. I want to encourage you to have conversations with your students about grades, attendance, and behavior. Every minute matters right now at BVIS to include being on time to school and being on time to classes. If you have any questions about continuation please reach out to me!

6th and 7th note: BVIS has had an amazing year, and we are excited to start thinking about next year. Being "on track" matters in all grades, and we look forward to even more celebrations next year for kids who are passing classes and are here at least 92% of the time. Let's finish the year strong!

You got this, Yetis!

Love, Ms. Sutherland

LOOKING AHEAD TO THE 25-26 SCHOOL YEAR!
