

Bear Valley Logos

Want your school logo added on ANY of your blank apparel??

Memories by AC services will be available once a week to drop off in the BVIS main office and have your items customized with one of 5 logo options (see blue box below) that BVIS has approved and granted me trademark access.

Please keep in mind that this apparel will still need to be in your schools acceptable color wheel of **BLACK, WHITE, GRAY, NAVY BLUE, or LIME GREEN** and be free of any logos larger than 2 fingers (so small Nike Swoosh / Champion 'C' etc are OK). Based on guidance from BVIS Admin I do reserve the right to decline imprinting on any garment that does not meet their [dress code expectations](#). Call the main office at 720-423-9600 if you have any clarification questions about the expectations of these blank apparel.

It will take about 4 days for an order to be completed. I will pick up shirts at the end of school day on Tuesday and have them returned to the school by that Friday at noon. The School will know in advance if I will be unavailable during a certain week. If you have any questions or special requests please feel free to email me at dreacejka@gmail.com.

The cost of 1 logo add-on is \$8, if you have more than 1 apparel you would like done there is a discount for doing more than at the same time. See below for pricing.

1 apparel add-on- \$8

2 apparel add-on- \$15
