

BVIS Drop-Off & Pick-Up

Safety is our #1 priority!

Every Bear Valley community member has an important role in practicing smart drop-off & pick-up procedures to **keep our scholars safe!**

! **Review the map** with your child to ensure that they are safe and as close to the school as possible.

! **ALWAYS** drop your child off on the right side of the street unless at a crosswalk as there are **NO** crossing guards.

! Please respect our neighbors and **KEEP THEIR DRIVEWAYS CLEAR** at all times.

! **Making U-turns is dangerous**, please keep moving forward after drop-off/pick-up.

! If your child walks / bikes, please ensure they're being safe & **looking both ways** before crossing all streets.
