6th Grade Band

Our 6th graders have been making A LOT of progress this year with most students starting without any experience or with a new instrument this year. We have performed at 2 concerts in the fall semester, and a few of us got to perform at CityWide band this past month. There have been a few struggles this past year keeping us focused BUT I am so proud of what the 6th graders have done so far!

7th/8th Grade Band

This is our first year of having an intermediate band that includes students from BOTH 7th and 8th grade in the same period. We meet during the last period of the day which can make it EXTRA rowdy, but students are doing a good job keeping a positive mindset and staying focused on making great music! These students have been through a lot during their short time at Bear Valley with all of the changes and the recovery from COVID. I know that our 7th graders will be leaders in the building next year AND that our 8th graders will go on and do amazing things in high school and beyond!

Parlando School of Musical Arts

We would like to recognize our guest artist teachers that come and work with your students on a weekly basis. Students have been offered private/small group lessons for brass and woodwind instruments during the school day. These teachers have made a HUGE impact on our music community, and are such supportive teachers to our kids. The ability for them to come and teach is from a grant awarded to Parlando School of Music.

City Wide Band

Some of our Bear Valley Band students participated in citywide band and performed at Denver University this past week. It is a great opportunity for students to perform with other schools across the district. [CLICK HERE](#) for photos, [CLICK HERE](#) for video

Special Thanks

Shoutouts to all of the hard work from our band students who have been going above and beyond to practice their music! Special thanks to all of the parents and families that support our students in music even when listening to them practicing can be BRUTAL

Thank you to all of the teachers who supported after school managing students and keeping them focused during the concert

This concert would not happen without the support from our BVIS admin:

Ms. Klava, Mr. Plesko, Ms. Christensen, Ms. Sarah and all the support from the front office staff to spread the word about the concert!! Thank you!!
