

8th Grade Virtual Continuation Celebrations

May 24th-28th

Hello Bear Valley Families,

As we wrap up this school year with both remote and in-person learning, the Bear Valley team understands there are some questions and uncertainty around the continuation ceremony and celebrations. The 8th grade team is committed to planning a week full of events and activities dedicated towards celebrating our 8th graders success as they move on to high school. Our biggest priority is keeping all of our families safe by following DPS guidelines. **Your student is currently learning virtually, so they will be engaging in continuation activities virtually through google meet. Please use the calendar below for the outline of the week.** Please review the information below to better understand how this week will be structured. As always, if you have any other questions or need more clarification, please reach out to the main office at 720-423-9600.
